

COATED PRODUCTS DIVISION

## Paper Cohesive Packaging Wrap

### Material

50# white offset paper with a strong, quick-tack cohesive. A non-silicone, printable release coating on the non-cohesive side prevents blocking of the self-wound construction.

### Adhesive Properties

Cohesive Bond

40 - 50 ounces per square inch (paper tear)

### Construction

50# Offset Paper

Cohesive

As with any removable/repositionable adhesive labelstock, it is the responsibility of the user to test the adhesive against the intended surface for compatibility and functionality.
